The ABELLA pendant light combines stylish vintage charm with timeless elegance. Its round, ribbed glass shade gives the luminaire a sophisticated look and creates a particularly atmospheric play of light that is gently emitted outwards. This creates a pleasant atmosphere that invites you to linger. Whether above the dining table or the living room table - ABELLA sets stylish accents and quickly becomes the centrepiece of the room. The design is rounded off by the shade made of amber-coloured glass and black matt metal. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
