

Wall lamp

MOLINA

incl. 2x SMD LED, 4,6W · 2x 550lm, 3000K

Features:

- IP54
- Up and Down lighting
- Wallmounting

Whether in summer for more atmosphere in dark evening hours or in winter for more safety and orientation. The MOLINA wall lamp illuminates your outdoor area and provides optimal lighting conditions. Thanks to the IP54 protection rating, the outdoor luminaire is protected against splashing water and dust. The die-cast aluminum is combined with transparent shades, making the luminaire easy to integrate into your outdoor space and providing maximum light transmission. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
