Are you looking for a timeless and minimalist designed outdoor lamp? How about the wall lamp ROYA? Thanks to the light emission upwards and downwards, it is the perfect choice for an effective lighting on the terrace, on the house facade or in the entrance area. The light source not only provides a natural and atmospheric light diffusion, but also provides safety when darkness falls. With IP44 protection, the wall lamp is protected against splashing water and therefore suitable for outdoor use. Thanks to the colour design in matte white, the wall lamp can be combined in many ways. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
